

SOCIETY

By Bertha Hempstead

The date of the wedding of Miss Winifred Burch and Mr. LaRue Royce, of Salina, has been set for Wednesday, October 25. The marriage will be one of the important social events of the autumn, the arrangements are to be extremely simple. The popularity of the young couple will, nevertheless, make the wedding one of considerable interest. The marriage will be solemnized at the home of the bride's parents, Justice and Mrs. Rousseau A. Burch, of 1248 Tyler street, and will be simple in detail, with no attendants. Mr. Royce, the son of Mr. John Q. Royce, of Wichita, formerly

of Topeka, is now practicing law in Salina.

The Art club will reorganize for the coming season in the early part of October. The first meeting of the new year will be held Monday, October 2, with Mrs. Harry Donaldson.

The club has chosen for its course of study this season Early Italian Art, and has engaged Mrs. L. D. Whittemore to address every fourth meeting on that subject. The other meetings will have their programs filled by papers written by members of the club. The women on the program at

the first meeting will be Mrs. Charles Kleinhaus, Mrs. Jack Dillon and Mrs. C. B. Merriam.

An afternoon reception of importance in college circles was the party given Saturday by the newly installed Alpha Phi sorority at the chapter house in College avenue. The invitation list included the members of all the Greek letter societies of Washburn, the members of the faculty, the parents of the young college people and some outside guests. The rooms at the house were filled through the receiving hours.

The guests were welcomed by the officers of Alpha Phi, the out-of-town members of the sorority, and in the receiving line also was Mrs. F. P. Womer, wife of the president of Washburn, and one of the Alpha Phi patronesses. Miss Mary Weightman, president of the Epistol chapter, was at the head of the line, and next to her was Mrs. Clyde Hastings, of Atchison, who led the installation services. Mrs. Womer stood next to her, and following were the other out-of-town Alpha Phis, and the local officers, who are Miss Grace Dana, Miss Edith Troxell and Miss Helen Nease.

Miss Juliette Brown, chairman of the social committee, presided in the dining room, and she was assisted in the serving by the younger sisters of some of the members. They were Miss Juliette Hughes, Miss Georgia Neese and Miss Anne Weightman. Two of the alumnae Betas, Miss Anne Sweet and Miss Daisy Neil, sat at the table and did the pouring.

The decorations were elaborate. All the rooms were draped with ivy vines, and there were runners for doral decorations. On the dining table was a basket of white flowers. In the reception room was a tall basket of American Beauty roses, given by the alumnae Alpha Phis of Kansas City. The Phi Delta Theta men of Washburn gave a basket of American Beauties, and all the fraternities and sororities gave flowers for the party. About three hundred people called during the afternoon. Governor Arthur Capper was one of the callers.

Visitors to Topeka who are expected to arrive soon are Mr. and Mrs. Paul Hudson. They have been spending the summer in Vermont, and are leaving about this time for a motor trip west. They will come to Topeka to visit Mrs. Hudson's sister, Mrs. Marie Price Wear. The Hudsons, whose home was for years in the City of Mexico, have temporarily left that city on account of the revolution, and have been in the United States since last winter.

Mrs. Nathan Price, the mother of Mrs. Wear and Mrs. Hudson, is in Topeka for a visit to her daughters. She is making her home in California, and arrived from the west to be with Mrs. Wear, and will remain while Mrs. Hudson is here.

The Pi Phi sorority at the State University has a new chapter house. It is a big, handsome, four-story building, with hard wood floors throughout, and all its finishing and furnishings quite up to the minute. The house is situated near the old Pi Phi house on Grand street, at the corner of the university grounds.

Miss Jean Lindsay, who attended Wells College, Aurora, N. Y., last year, will be studying at the University of Chicago this year. She is a Pi Phi, and will live at the Pi Phi house. Miss Lois Lindsay, who is a Pi Phi, spent a part of last week in Lawrence, visiting with the rushing affairs. Miss Lois Lindsay, who conducts a tesseri kindergarten, expects to open her school about the middle of October, in one of the class rooms of the Second United Presbyterian church.

They say that college, where one of the Topeka young society girls will be a student this year, is one of the most fashionable schools of the country. The rule is that the girls who enter in the fall are allowed to keep their personal serving maids for three weeks until they learn to look after their wardrobe and other personal needs without the help of a servant. They do finally get inured to such hardships, but it takes a few weeks to do it. Nearly every girl there has her own car and other luxuries in proportion.

Members of a picnic party who had a motor trip and were roasting near Berryton were: Dr. and Mrs. F. O. Roemer, Dr. and Mrs. J. H. O'Connell, Mr. and Mrs. E. A. Schenck, Mr. and Mrs. C. C. Neiswander, Mrs. Philbin, of Silver Lake; Mr. and Mrs. Charles Marshall; Miss Elizabeth Gregory, Mr. M. C. Gregory and Mr. J. J. Schenck.

Mr. and Mrs. V. T. Fitzgerald of Valencia, announce the marriage of their daughter, Frances Randall, to Mr. Frank H. Kreise. The service was read by Dr. Benjamin F. Young, at his residence. Only members of the family were present. Mr. and Mrs. Kreise will spend a few weeks in Colorado, and will be at home to their friends after October 1 at Valencia, Kansas.

A man and his wife motored to Kansas City a few days ago. Every few miles on the trip something hap-

One of the surprises of the season in London was the marriage of the Earl of Cottenham to Miss Patricia Burke, the lovely daughter of the late John Humphry Burke of California, which took place at fashionable St. George's, Hanover square, scarcely a week having elapsed since the announcement of the couple's engagement.

Dr. S. J. Crumline Would Make State Inspection Necessary.

State examinations for all persons selling foodstuffs will be urged before the legislature by Dr. S. J. Crumline, secretary of the state board of health. Dr. Crumline declares the state should adopt a "safety first" policy in its regulation and supervision of food merchants.

"Pure foods handled by unclean or unhealthy persons may be as dangerous to public health as impure foods," said Dr. Crumline. "We know that typhoid fever is spread by carriers. Tuberculosis, diphtheria, smallpox and probably infantile paralysis may be spread the same way. These carriers may appear hale and healthy and get employment in groceries and meat markets. It is health records show they frequently do. What we need is authority to give the men and women working in food factories, grocers and meat markets frequent physical examinations to see that they are not spreading any disease."

Boys Had Unusual Experience With an "Unloaded" Gun.

Other Items of Interest From Across the River.

A hole in one of the window lights of Pratt Brothers' hardware store, 961 North Kansas avenue, bears testimony to a repetition of the old story of the gun that wasn't loaded. Saturday night two small boys were playing opposite the store with a shotgun that wasn't loaded. By "accident" the gun was fired. The glass was broken but the boys escaped injury. By some miraculous circumstance, the usual innocent bystander escaped. Boys will be boys!

"Watermelons—watermelons. Better buy one, lady." They're sweeter now than at any previous time this summer, according to a North Topeka grocer who this morning bought a wagon load of the big, luscious things. The rain has helped wonderfully.

Some fine specimens of "mush-rush" corn grown by George Morstorf of Kiro, Kan., are on exhibition in the Citizens State bank. Some of the ears are more than thirteen inches long. A. G. Gresser of Rossville is showing white corn and decorated ears. Elmont is displaying white and squaw corn in the same building.

Notes and Personals.

A meeting of the city club has been called for Friday.
